The mission of the AP Ranch Champion Program is to promote student-athletes' ownership of their academic, athletic, career, family and community responsibilities. The AP Ranch Champion Program is designed to focus on the comprehensive development of the student-athlete

To reach this goal, AP Ranch may need access to some of the student-athlete's information, including academic transcripts, SAT/ACT information, NCAA eligibility information, and verification of economic standing (i.e., participation in the free lunch program, which confirms eligibility for some fee waivers). AP Ranch uses this information strictly for the purposes of ensuring that student-athletes are on track for SAT/ACT testing, NCAA eligibility, and for addressing academic support when needed.

- I hereby consent to allow the AP Ranch access to all academic records (transcripts, ACT, PSAT, SAT, and other test scores) and athletic records (including status of NCAA eligibility) of the student-athlete named above. This includes any online services that display this information.
- I also hereby release AP Ranch and its agents and employees from all claims, demands, and liabilities whatsoever in connection with the above.

If your school uses any type of online grade book, please provide the website, user name, and password. This will enable AP Ranch staff to regularly check the student-athlete's progress.
